THE SENIOR CLASS OF '58
MALVERN PREPARATORY SCHOOL
MALVERN, PENNSYLVANIA

# FOREWORD

To capture fully the necessary plan of our annual, the staff had to choose a theme that would take in all of our formulated ideas. In the turmoil of finding it, we came across one, to our astonishment, that satisfied all our enterprises.

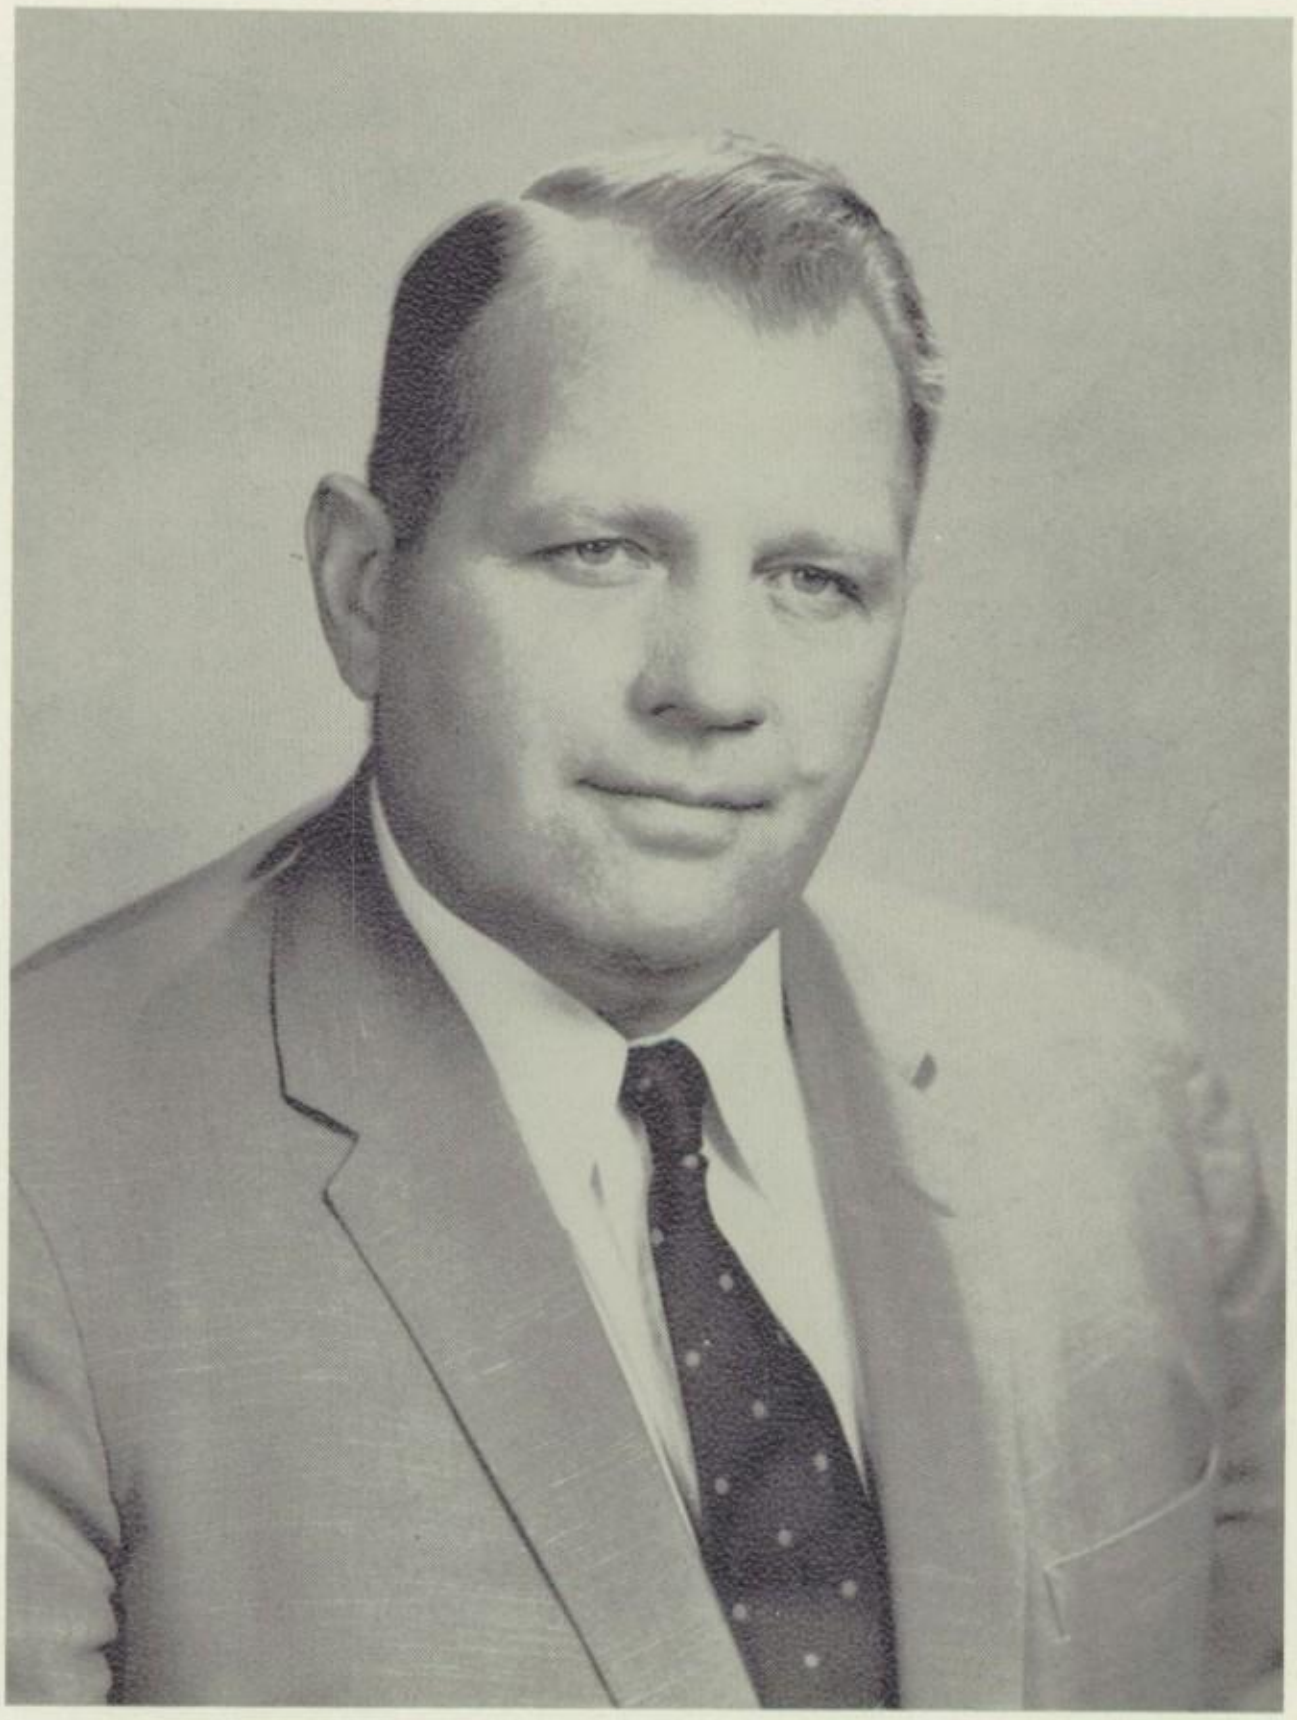
By these HANDS we shall build the future.

For the structure that we raise,
Time is with materials filled;
Our to-days and yesterdays
Are the blocks with which we build.

*Longfellow*

Charles R. Huenerfauth
*Class of '58*

# DEDICATION

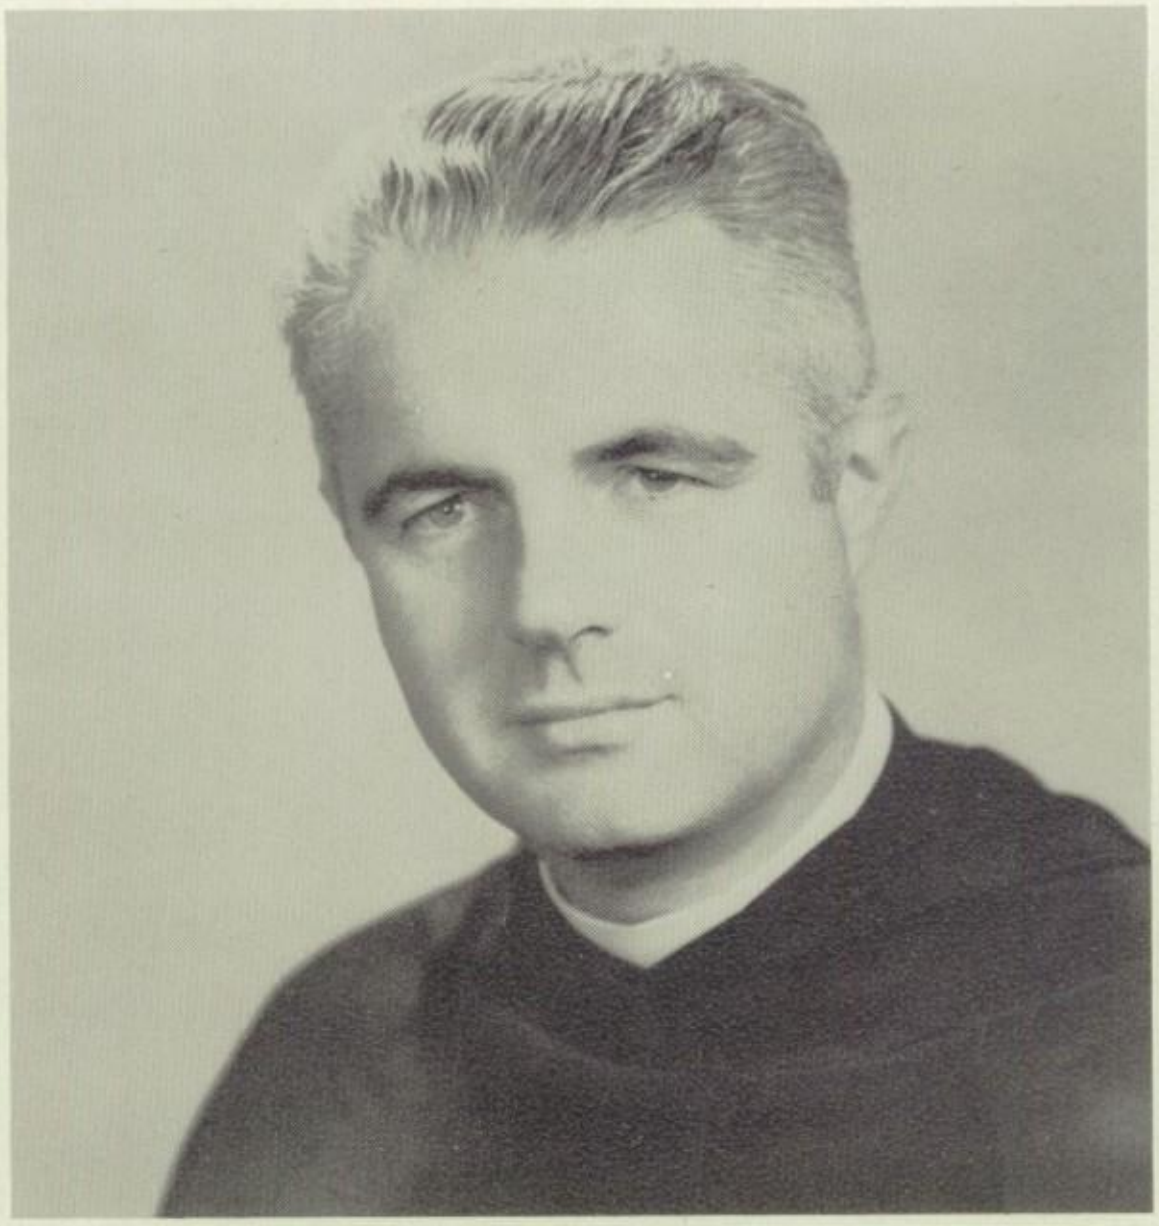


MR. JAMES M. AUCH

Mr. Auch, who heads our Athletic Staff, is, to all of us, both teacher and father. During these many years he has been an outstanding member of the Malvern Faculty.

We, the Senior Class of '58, proudly dedicate our annual, The Malvernian, to this ideal Catholic layman. We know God will give him the incentive to carry out his directed labors, which he has so ably set out to accomplish.

# OUR NEW HEADMASTER



REV. JOHN J. COFFEY, O.S.A.

During his first year at Malvern, Father Coffey has made a character imprint on our campus. Within this short period of time, he has shown to many the distinct admiration he holds for both Christian youth and his fellow Catholic clergymen.

May we, the Class of '58, on the occasion of his appointment to Malvern, pay tribute to this Augustinian. We know God will bless his work, and give him the strength to carry on the unfinished labors of his predecessor, Father Dennis.

# HEADMASTER'S MESSAGE

When you entered Malvern you sensed, even though in a rather vague way, that you had brought to us two most precious God-given talents. You asked us to discipline them for you. We gladly and conscientiously assumed such a challenging responsibility.

Today we look on you with justifiable pride. Yet deep in our hearts we shall continue to pray about these two gifts: may your intellect ever cleave to the everlasting truths we taught you about God, your soul, and your eternal destiny. May, too, your will push aside every apparent good until, like Augustine of old, your hearts, weary and restless under the lash of life, rest in the only good worth embracing—the real good—your loving God and heavenly Father.

As each of you goes his own way, we shall search eagerly the multitudinous roads of life inquiring about you . . . "has he kept his feet on the ground and his head in the heavens."

REV. JOHN J. COFFEY, O.S.A.
*Headmaster*

# JUNIOR CLASS HISTORY

Our first three years at Malvern point up a fine record of service on the part of the Juniors.

In the classroom, with its ups and downs, we did our best. Sometimes problems in chemistry or geometry became particularly knotty, but we struggled through them. At the end of the year many of us found ourselves rewarded with places on the honor roll.

In school projects we gave heartily and cheerfully. The chance drive, the mission collection, and the Christmas food drive all received wholehearted support from the juniors. The Friar's Lantern, the Malvernian, the glee club, and the spring musical received junior contribution.

For three years we have worked under the guidance of our teachers here at Malvern. We have tried to do many things, most of all, to become good men. We have not always succeeded; often it seemed we were losing. But a prayer in the chapel, a few words of advice, a reassuring pat on the back unfailingly put us back on the right track.

Stepping into our final year at Malvern, we will soon be out in the world, on our own. With God's help we will continue to work toward the two great goals we have set, true success in this life, eternal happiness in the next.

# SOPHOMORE CLASS HISTORY

Our return to the Malvern family found us wiser and more experienced members. We fell into the routine of school life with more SAVOIR FAIRE and with the same enthusiastic spirit we felt as freshmen.

The extracurricular scene found us with many standouts. Twelve in our class found berths on the football squad. Sophomores also starred on the hardwood and on the cinders. Baseball and Wrestling also filled the afternoons of many. The Malvernian, the Friar's Lantern, the Rifle Club, and both dramatic productions appreciated our efforts. Our unfailing attendance at school functions, such as games, dances and meetings proved further our flourishing school spirit.

However, our real ideals are not those of sports and glory, but those of honor, morals and academic learning.

# FRESHMAN CLASS HISTORY

We, the class of '61, entered Malvern with a notable Freshman. Father Coffey began his first year as Headmaster, replacing the beloved Father Dennis. After surviving the dreaded Freshman Day unscathed, we settled down to the work at hand.

We have shown outstanding ability and keen interest in all our school activities. Scholastically, we did not "set the world on fire," but we are well on our way to greater accomplishments. Athletically, we have provided many of the teams with good and easily adaptable material. The experience gained this year was of inestimable value and will assure that Malvern will be a feared adversary.

The Freshman Class expresses deep appreciation to the faculty and upperclassmen, whose good example influenced us on to more and better achievements. It is our sincere hope that we have not inadvertently done anything to detract from the good name of this school, and regard the honor of being called a Malvernian with everlasting pride.

# GRIDIRON MEMORIES

The spirit of Malvern's football teams throughout the years has always personified those necessary qualities requisite for a "winning" team. This past year she gave us few scoring victories. Nevertheless, she proved unanimous to both coach and student-body her unfaltering spirit. This achievement, rather than topping another team, we feel to be a more important accomplishment, and, for the Malvern Eleven, this was second nature.

# BASKETBALL MEMORIES

The best way anyone can describe this year's Varsity Basketball team is to say that they are "champions." The main reason for honoring our team with this title of champions is not because it won the title, but rather because it was a team that started at the bottom and worked its way up the ladder to the top.

On the way up the ladder, the Malvernians ran into many obstacles including several injuries. However with the firm conviction that "The team could not be beaten—and would not be beaten" they lunged forward.

Brilliantly coached by Doctor Powers and Mr. Mayock, and spirited by All-Interac co-captains Vince Wolfington and Bob Kelly, the Friars ended the long, hard season having achieved their goal—Interacademic League Champions.

We should not only be very proud of this season, we should also try to follow it next year with another.

To every member of this year's team we would like to offer our sincere congratulations for a job well done.
